March 19th, 1923.

Miss Mabel Conkling,
26 West 8th Street,
New York.

Dear Miss Conkling:-

As your plaster of Frederick MacMonnies is the only pure white piece we have so far received, the Exhibition Committee would very much like to have this either colored or tinted. You said at the time that you preferred not to do this, though you would do it if requested.

If you will call me up (Wadsworth 7735), I will have our boy bring it down to you. This will save you the trip up here.

Very truly yours,

Curator.
